THE WAYFARER

My eyes fell upon an oasis,
Garden of Solitude with blossoms of smile. My heart feels
the warmth, my mind the peace. The journey has been long.
Will this be the haven for me?
Will this be a nest to abide my trip? Will the cool water satisfy
my parched lips? Even now I feel these treasures, my heart
wonders of the many others. They have come and they will come.
Will they feel the joy, the brotherhood, the serenity
that cleanses my Soul?
